Last Seen			
Location	Golden Gardens Park Portsmouth	Date	13 August 2001
Story			
<p>Junior was at the park with my sister on the morning of Friday 13 August. He escaped through the fence and ran down towards the beach. Junior is especially nervous around strangers and may be difficult to catch. He is not aggressive towards people or other animals. Junior is on medication for a thyroid problem and needs to take it daily. PLEASE call if you see him or are able to capture him. We miss him terribly!</p>
